Immerse your guests in a unique island experience like no other

Whether you're launching a new product, conducting team building exercises or hosting a unique corporate escape, Samphire Rottnest offers a lot more than just beachfront conference and dining facilities. It takes your guests into a space of remote focus, wellness, and relaxed island life.

Resting 19km off Perth's coast, Rottnest Island is one of Australia's most beloved destinations with its powder-white bays and turquoise ocean surrounds. Though just a 30-minute ferry ride from the mainland, it feels a world away.

What better way to enhance the retreat experience then with an island activity or themed dinner function to take in the spectacular twilight colours of the island. The events team at Samphire Rottnest love being creative and overseeing the biggest events down to the smallest detail.

Team Building & Social Activities

Rottnest Island's magnificent landscapes offer an irresistible invitation to adventure, and Samphire Rottnest wants your delegates to enjoy everything the island has to offer. Bridge the gap between work and play with a range of tailored experiences designed to stimulate your guests, strengthen their relationships, and promote a greater sense of well-being.

With a moderate, coastal climate, delegates can enjoy year-round opportunities for every level of ability. Our team can arrange everything from golf days, morning yoga and e-bike tours to suit your timetable, or immersive cultural tours to learn about the rich history of Rottnest Island.

For the more adventurous, our dedicated events team can organise skydiving, Segway tours or Bayseeker Island bus tours to the outer reaches of the island.

Go beyond the everyday and tailor a package to suit you and your unique team. Samphire Rottnest partners with Corporate Challenge Events to offer customised team building activities which are devoted to bringing your team together and driving effective engagement in a fun and competitive way.

Embrace that sense of freedom. No request is too great, no detail too small. We are here to help enhance your Rottnest experience.
