Beachside Celebrations

Creating memories that last forever

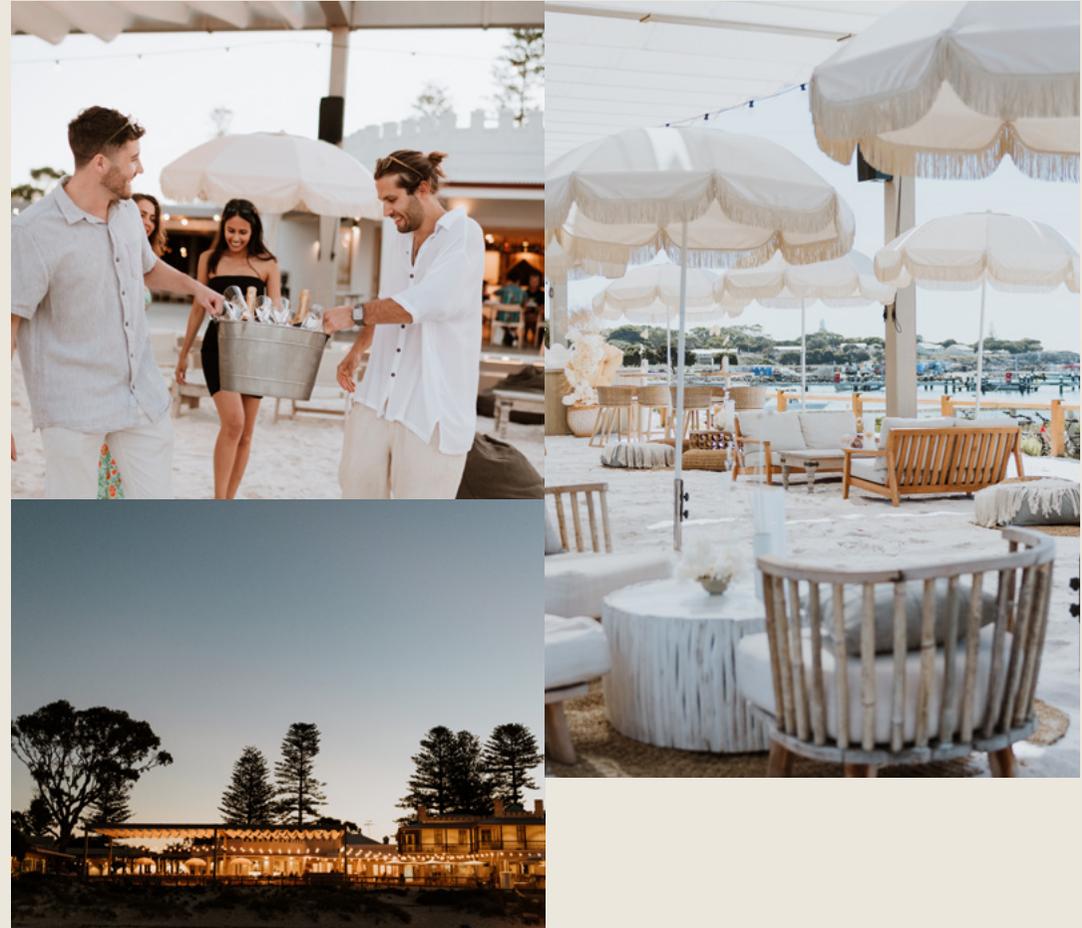

From grand scale celebrations immersed in the beauty of the bay, to intimate long table dinners, the team at Samphire Rottnest oversee the biggest events down to the smallest detail.

Resting 19km off Perth's coast, Rottnest Island is one of Australia's most beloved destinations with its powder-white bays and turquoise ocean surrounds. Though just a 30-minute ferry ride from the mainland, it feels a world away.

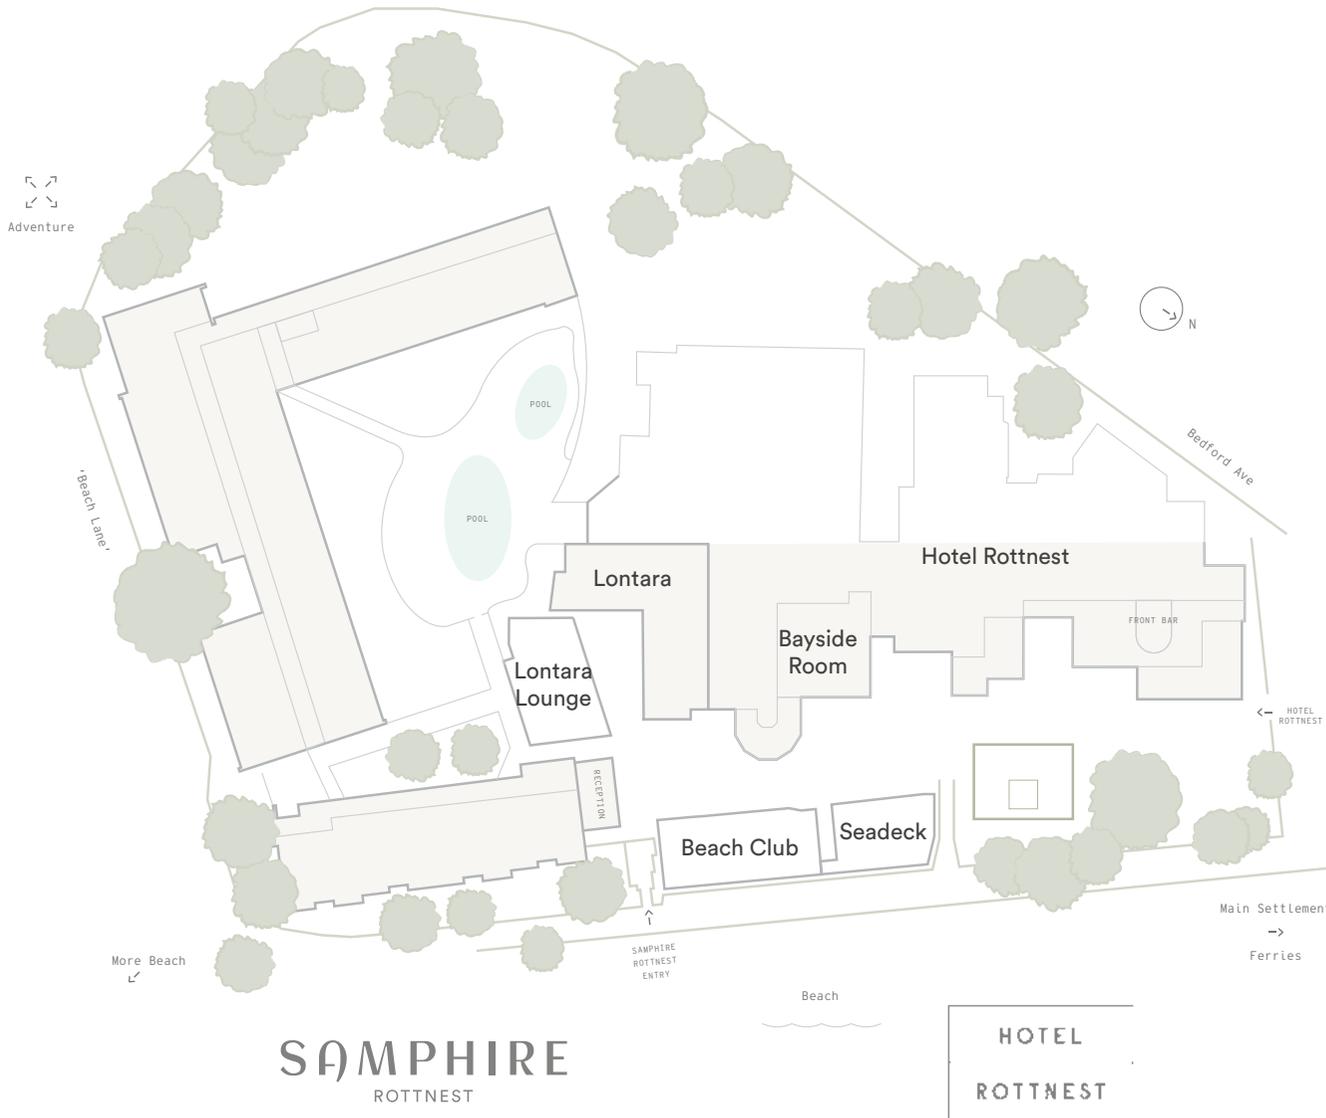

With a diverse selection of indoor/outdoor spaces emulating the natural beauty of the Rottnest landscape, our venues cater for everything from Cocktail Parties, Private Dinners and Beachside Long Table Feasts.

Thoughtful, seasonal menus are inspired by the close connection to land and sea. We offer a meticulously crafted experience that uses the best of local food and beverage producers, including a wine list showcasing Australia's most renowned winemaking regions.

The Samphire events team love creating an unforgettable atmosphere together with an experience that you can't replicate anywhere else.
